STUDENT CAMPUS STUDENTS COME FROM ALL AROUND THE WORLD!

“Going to Student Campus was the best decision I could have ever made.
It wasn’t easy for me to start a new life far from home, but Student Campus helped me and made it easy for me.
They helped me to achieve all my goals and I will always thank them all their effort”

Leandro, Spanish Student

"As far as I'm concerned, in the Student Campus I'm able to improve my English in a general way: pronunciation, reading, writing and listening. The best part is that I'm learning not only about grammar points but also about Irish Culture with some native English teachers"

Waldefran, Brazilian Student

“First, I worried about paying for this school. Because I was living in Dublin. So this decision was very difficult for me. My first impression was that the school was really big and clean.

The school is getting better and better. Staffs and director who work for school are very kind and friendly. They helped me and cared for me. And my teachers were great teachers! The Class wasn’t boring and the teachers made me speak English more and more. (At that time, I had a hard time speaking English) if I earn money, I would stay more here.”

Heyrin, South Korean Student

From Japan to Brazil or from South Africa to Europe, Student Campus can help you to live your dream in the beautiful Emerald Isle.
